

MHAX GAMING HEADSET

The MHAX is a professional RGB gaming headset with HIFI quality sound drivers and an ergonomic design that allows you to carry them anywhere you want. It is equipped with a **detachable noise-cancelling microphone**, **LED RGB lighting** and a **1-2 Jack adapter** for maximum performance.

NOTES

- Rotate the microphone to detach it from the headset. Remember to align the arrow → in the connector – to plug it back.
- The MHAX USB port allows the headset to use its RGB system. Connect it to turn the light on.
- The 1-2 jack adapter allows you to connect your headset to your PC. Use the single jack connector to use the MHAX with the rest of compatible devices.
